Community Reinvestment Act Notice

Under the current Federal Community Reinvestment Act (FCRA), the Office of the Comptroller of the Currency evaluated our record of helping to meet the credit needs of this community consistent with safe and sound operations. The Comptroller also takes this record into account when deciding on certain applications submitted to our bank.

Your involvement is encouraged.

You are entitled to certain information about our operations and performance under the CRA, for example; information about our branches such as location and services provided at them, the public section of our recent CRA performance evaluation performed by the Office of the Comptroller of Currency, and comments received from the public relating to our performance in helping meet community credit needs, as well as our responses to those comments. You may receive this information today.

At least thirty (30) days before the beginning of each quarter, the Office of the Comptroller of Currency publishes a list of the financial institutions that are scheduled for a CRA examination by the Comptroller in that quarter. This list is available from the Deputy Comptroller of Currency, United States Department of Treasury, and the Office of the Comptroller of Currency Customer Assistance Group, 1310 McKinley Street, Suite 3450, Houston TX 77010-9050 or at CRACOMMENTS@OCCTREAS.GOV or OCC West Region Deputy Comptroller, Office of the Comptroller of the Currency, 1050 17th St, Suite 1500.
